Pico Blanco from the south, showing the road bulldozed by Granite Rock Co. nearly to its summit. This was the site of a "sit-in" on Feb. 4 by a group of 123 local high school and college students protesting the proposed quarrying of the estimated 600,000 tons of limestone which make up the top 500 to 1500 feet of the 3709-foot landmark. Efforts to preserve Pico Blanco are being led by the Save the Big Sur Coast League; chairman is Brooks Clement of Big Sur.

Keeble Named Chairman

Commissioner Fred Keeble was elected chairman of the Planning Commission at yesterday's Annual Meeting at the City Hall, succeeding Dorothy von Meier who had served in that capacity for two years.

Mr. Keeble said, "I accept this chairmanship only because policy calls for a change every two years."

Elected as Vice Chairman of the Commission was Charles McEwin. Keeble appointed Mrs. Dorothy Grimshaw as the official secretary.

Wrecking Yard Fence

Before Keeble took his new post, Chairman Dorothy von Meier conducted the Commission and considered a request from the Mobil Station at the corner of San Carlos and 7th, to erect a six-foot redwood fence to hide the wrecked cars in the lot behind the service station.

LEAP YEAR EDITION

It has been 16 years since the Carmel Pine Cone has published on the 29th of February. In 1952 the Pine Cone was printed on "that extra day" but publishing date was on Friday then. When I was a boy, leap year day was celebrated "no holds barred" for girls chasing boys. But, now it's every day.

Roberts showed concern over the appearance of a blank six-foot fence and suggested that the report call for a five-foot fence instead. After being assured that plants would eventually hide the fence, she wondered what the gate would look like, which could not be landscaped. Nevertheless, the recommendation was adopted. (Continued on page 16)

PORNOGRAPHIC MAIL

One thing we Carmel post office box holders have in common is that we all seemed to have gotten the same off-color (pornographic, if you prefer) literature through the mail. If anyone is disgusted with this mailing, obviously many are, based on the calls received by the post office and the city police, they are encouraged to write their congressman or senator and enclose a copy of the brochure.

This "literature," considered legal by postal inspectors, was mailed from Nevada with 6-cent postage. Postmaster Fred Strong held up the mail overnight to check with inspectors to see if there were some way he could stop delivery. He couldn't.

However, after April 4 there will be a law that will permit a boxholder to leave word that he does not want "junk" mail left in his box.

SCHOOL BOARD WRESTLES WITH PLANNING PROBLEMS

Whether to build a three room classroom complex to relieve congestion at Tularacitos School in the Valley or to enlarge Middle School and bus the 5th and 6th grades from Tularacitos occupied the Carmel School Board until 11 p.m. last night.

Board President Clayton B. Neill, Jr. felt that in as much as the Middle School may be converted into a high school someday, it might be better to spend the remaining \$93,000 in the Building Fund there, and carry forward the four, four, four grade plans the board had just approved for purposes of long range planning. He was joined by Dr. Robert Newton in lesser degree and to some extent by Richard Wilsdorf. Supt. Dr. Harris D. Taylor felt that there was not enough money to build at Middle School as that would have to be a four-room complex, and that busing children from the Valley school would only temporarily "buy time."

Wilsdorf introduced a compromise motion which called for the authorization of the superintendent to recommend an architect to design a three room unit at Tularacitos with the stipulation that building could be postponed if the board decides that Middle School should be developed first. This motion

passed 3-2.

For purposes of long range planning the board set certain limits on school sizes: 600 elementary students on a 10 Acre site; 800 students (grades five through eight) on a 20 Acre site; and 1500 high school students on a 40 Acre site.

Middle School has a total of 53 acres with 10 reserved for an elementary school site. The present high school has 40 acres and a current enrollment of under a thousand. Woods School has 3 acres, River 10 acres, Carmelo 12 acres, Tularacitos 10 acres and Captain Cooper 27.

Summer School at CHS?

The other time-consuming problem which occupied the school board was whether to provide a summer school program for Carmel High School students or to provide transportation to Pacific Grove High School which provides a program at far lower expense. Pacific Grove receives \$492 per A.D.A. from the state compared with \$125 per A.D.A. for Carmel.

It was estimated in Supt. Harris' recommendation that the District would have to budget \$1900, of which \$519 would be supplied by the State, for each 30 day class. For this reason and because (Continued on page 16)

Cultural Commission Backs Controversial Sunset Ordinance

The Carmel Cultural Commission voted unanimously Monday night to take a public stand in favor of the Sunset ordinance to be placed on the ballot in the coming elections.

At present the Sunset property is zoned R-1 (residential) and any activity

other than residential is against the law. The ordinance is an attempt to rezone Sunset into an A-2 District, thus legalizing the use of the auditorium, Friends of Photography, the artists' studios and other such cultural activities now being operated for the benefit of the citizenry.

Commissioner Ted Fehring said, "Many hours, weeks and years of work have gone into this ordinance by the two Commissions and the City Council." Commissioner Patricia Faul said "In effect it (the referendum) is saying the entire city administration is no good."

Commissioner Frank Falge, candidate for City Council, submitted an in-depth report on possible Sunset use. He said, "Sunset facilities are now largely in use and it is now a matter of great urgency that a master plan be developed and adopted for Sunset's future." He went on, "Rooms should no longer be rented just to fill them; they should be rented to best suit over-all Sunset needs and purposes."

He recommended that tenants should be sought and selected for their ability to attract people to Sunset; they should provide "Art in Action," which might include a weaver, wood sculptor, metal sculptor, jewelry designer, ceramics artists, etc.

Falge went further to suggest that the Bach Festival, Monterey Symphony and Community Theatre offices on the upper level be moved from their present location to the lower level, and earmark the upper areas for "Art in Action" purposes. The tickets for the events would then be sold in the ticket office connected to the Sunset Manager's office on the northwestern corner of the building.

Other recommendations included: partitioning the bigger rooms to make space for more "Art in Action;" beautify the lobby... soon; crystalize plans for new seats in the auditorium; prepare a new lease form including the requirement that studios must be manned for "Art in Action" hours; and to secure professional advice on color (Continued on page 16)

KITE FESTIVAL

Carmel youngsters of all ages are looking forward to the Annual Kite Festival planned for Saturday, March 30, at Carmel Middle School athletic field from 1:30 to 4:30 p.m. The traditional event is co-sponsored by the Carmel Lions Club and the Recreation Department of the Carmel School District of which Charles L. Dawson is director.

Usual regulations apply: Each kite must be made by contestant and must actually get into the air and fly in order to be eligible. Commercial, ready-made kites will be rejected.

Four age groups may enter: 8 years and younger; 9-12 years; 13-15 years; and adults over 15 years.

Three prize categories for all age groups will be: 1st—Highest Flying Kite; 2nd—Best Workmanship; 3rd—Prettiest Kite. Another prize category this year will be for youngsters who make their own kites without adult assistance.

The best International Design will be awarded the WILLIS WHITE PRIZE, commemorating the founder, in 1930, Rev. Willis White. The Champion Kite will be awarded the ERNEST CALLEY Perpetual Plaque, commemorating Ernest Calley, a shop teacher at the former Sunset School who directed the festival for many years. Both will be donated by the Carmel Lions Club.

A Grand Champion Kite Award will be donated by Donald Buby and Malcolm Moran of Gallery Carmel.

In the event of rain, the kite festival will be postponed to a later date, possibly the following Saturday.

The Recreation Department has been directing the contest since the mid-fifties.

Elwood P. Dowd (Mike Keller) introduces the startled dowager, Mrs. Ethel Chauvenet (Betty Fowlston) to his pal Harvey, the pooka, in the best loved comedy of the century, "Harvey" playing week-end evenings at the Circle in Carmel.

(EDITORS NOTE: Because of unfortunate circumstances, last week's review of "Harvey" was cut. The Pine Cone staff would like to take this opportunity

to encourage everyone to see this splendid, star-studded performance at the Circle Theatre. The acting was superb with such Peninsula greats as Mike Keller, Ruth McElroy, Carolyn Evans, Betty Fowlston, Joanne Louise Nix, Gertrude Chappell, Ed Shinbrot, John Soprano, William Withers, and Harry Graham. After you've seen "Harvey" at the Circle Theatre, you'll probably be convinced that a "pooka" has followed you home.

Theatre Review

PRESIDENT'S ANALYST, James Cagney becomes object of international spy hunt after assuming role as confidant to the President. Spoof on institutions including the telephone company. Never rises to level of satire and otherwise assuming satire. Film suffers from routine inclusions of sex, hippies and noise.

BAREFOOT IN THE PARK, Charles Boyer and Mildred Natwick run away with this film version of Neil Simon's immensely popular comedy about a young married couple being beset by such comic problems as a hole in the skylight in February in New York. Robert Redford is the attractive boy who was nitwitted enough to marry her.

THE BALLAD OF JOSIE, while Wyoming is still a struggling territory woman's growing independence is met with stiff opposition. Widowed Doris Day is acquitted of the death of her drunken, abusive husband by a reluctant Judge who awards her little son to her father-in-law's care until she can provide for him.

GUESS WHO'S COMING TO DINNER, Spencer Tracy in his final work and last teaming with Katherine Hepburn. Poitier's performance capped a remarkable year for him.

BONNIE AND CLYDE, dazzling slapstick style treatment of saga about robbing group in the Southwest of the 30's, leaves one entertained but not much wiser about them. Gore and sensuality intrude. But the cast is fine.

HAPPIEST MILLIONAIRE, lavish Disney musical starring Fred MacMurray and Greer Garson. Mommy Steele in tale about Anthony J. Drexel Biddle of Philadelphia. A bit sweet, colorful just the same.

CHAMBER MUSIC REVIEW

by Rachel Norton, formerly critic of the Long Beach Independent-Press Telegram

The Monterey Peninsula Chamber Music Society presented for its final concert of the season The Berkeley Chamber Singers, Alden Gilchrist, director, Sunday afternoon in the Canterbury Woods Auditorium.

An attentive and appreciative audience heard an ensemble of eight women and seven men sing music dating from the 16th Century to modern Hindemith, all of it sung a capella, except for two numbers by Heinrich Scheutz, which were accompanied at the piano.

It was apparent at once that this was a group of excellent musicians who had been well trained in the difficult music they performed.

They sang with excellent diction in German, Italian and French (there were no numbers in English, alas.) There was a nice balance of tone throughout and good interpretation of values.

The men's section was particularly fine. Unfortunately the sopranos tended often to a forced tone, which resulted in a hard quality in the upper register.

Three early Italian selections ranged from the smooth lyricism of music by Ardeletti and Monteverdi to the intricate and rollicking music of Gabrieli, which latter was warmly received.

Two Biblical episodes,

"Christ and Mary Magdalen" and "The Pharisee and the Publican" by Schuetz were given notable performances. Especially impressive were the moods of the two men as sung by an excellent bass and tenor (names unlisted). The music, which was most descriptive, was enhanced by the piano accompaniment of Mr. Gilchrist.

A glorified fugue, "Hobden Herrn" by Bach was long and arduous and was technically well executed. There was power and real drama in Brahms' "O Heiland, reiss die Himmel auf", ending in a joyous "Alleluia".

"Six Chansons" by Hindemith were vastly more palatable musically than much of this composer's music. "La Biche" (the doe), reflected in the quiet music the docile nature of the subject.

The undulating music of "The Swan" developed into an almost liturgical mood, pensive and gentle. "Puisque tout passe", (Since Everything Passes) was short, sweet and swift.

Atonal and difficult was "Springtime" while "Winter" music cleverly descriptive, was blustery and cold. "The Orchard" was lacy music in spirited rhythm. All were most enjoyable and were given excellent performances.

Instead of the programmed items, three numbers by Debussy were substituted.

Causes of Disrespect for Law Topic of Drug Talk

"The average adult consumes three to five mind-altering drugs per day," said Dr. Joel Fort, keynote speaker at the youth conference on alcohol and drugs at Asilomar last week. As examples he cited coffee, cigarettes, alcoholic beverages, aspirin or tranquilizers.

Dr. Lockwood Opens Offices In Carmel

Dr. Harold Lockwood, Chiropractic - Orthopedist specialist, recently opened his offices in Carmel located on Mission near 4th.

Dr. Lockwood, who did graduate work at LLAC in Los Angeles, bought his home in Carmel Hills a year after he decided to relinquish his practice in Delano, California.

The doctor is married to Norma Lee Lockwood and they have one boy in Carmel High School and a daughter, 4.

His background also includes performing professionally as a singer in nightclubs, over KFRC Radio in San Francisco, and since 1945, "I've been diving (fancy) in aqua shows over the world." He has also gone on tour with the State Department.

TRANSPAC Yacht Race

Richard Catlin related his adventures aboard his yacht, "Celebrity," and narrated an exciting filmed account of the 1967 TRANSPAC race from San Pedro to Honolulu at the last meeting of the Carmel Lions Club at Mission Ranch. He was introduced by Steve Thigpen. The group of "captured" Lions learned what it is like to spend days, sometimes weeks, aboard a racing craft at sea, according to Jerry Winters.

There are 100,000 alcoholics in the San Francisco Bay area alone, he noted, equal to the estimated national population of persons addicted to illicit drugs.

"The deliberate use of alcohol and tobacco by persons under age constitutes breaking the law same as use of LSD and marijuana. Yet drinking and smoking laws are not enforced as vigorously," he said.

"This causes more hypocrisy in society and disrespect for the law and police by young people."

"If people had more meaningful lives," said Dr. Fort, "drug usage of all types would drop off."

"We should try to replace drugs with more interesting things. If education is made a mind-expanding experience, people won't seek artificial ones."

New Fire Truck For Areas 42 & 43

Del Monte Forest and most of the unincorporated areas adjacent to Carmel and extending up the lower Carmel Valley, will now have a "spanking new," fully equipped fire engine exclusively available to them.

The new engine will be housed at the State Division of Forestry's Carmel Hill station with a crew available 24 hours a day.

The areas assigned to the exclusive use of the new truck are 42 and 43.

Sharman Smith with her mount "Juan Bueno" after being attacked by dogs on Carmel Beach.

Girl and Horse Attacked

Last Thursday the Carmel Police received a report that three dogs attacked and injured the mount on which a 15-year-old Carmel High School student was riding on Carmel Beach.

Sharman Smith said that while she was riding along the beach three dogs attacked her horse, Juan Bueno, and as a result the horse reared and twisted about almost throwing her. Because she was an experienced rider, she was able to maintain her balance and ride her prize winning horse back to her grandfather's (Lynn Hodges) stables at Mission Ranch. Her grandmother told us that when Sharman came in that afternoon the horse's hind quarters were covered with blood from wounds inflicted by the dogs.

Upon observation Juan Bueno's left leg was still swollen and both legs were covered with medication.

Owner of Mission Ranch Riding Stables, Mr. Hodges, said this is the exact reason he closed down his public riding stable. "For the past three years, harassment from dogs has become more and more of a problem," Hodges said. The riding stables now only boards and trains horses.

Hodges said, "We are not griping about dogs being on the beach, we have dogs ourselves, but the owners are not controlling their animals." He went on, "There has not been an accident in all my years (50) involving a horse on the beach."

Mr. Hodges has operated the riding stable at his present location for 25 years and before that, for another 25 years, he owned and oper-

ated a stable on Ocean Avenue.

When checking with the police, it was verified that there is no leash law on Carmel Beach; only in the Commercial District.

Mrs. Kent Olsen

Kent Olsen Weds Martha Young

Martha Carol Young, daughter of Mr. and Mrs. Oliver H. Young of Laguna Seca Estates, became the bride of Kent Emery Olsen of Pebble Beach on Thursday, February 22. The Reverend Alex C. Bryans read the three-thirty o'clock service at The Church of the Wayfarer.

The bride, given in marriage by her father, chose a gown of antique ivory satin fashioned with a lace yoke and sleeves. The chapel length train and skirt were appliqued with the same lace. An illusion veil was held to her hair with an arrangement of lace and seed pearls, and she carried a cascade

bouquet of lilies of the valley and stephanotis.

The bridal attendants, one in gold, the other in green were dressed alike in empire style gowns. They carried bronze and yellow chrysanthemums combined with yellow roses.

Craig Olsen served as best man for his brother and seating the guests were Walter Kurtner, George Guess and Jan Olsen, a junior usher.

A reception was held at The Beach and Tennis Club in Pebble Beach, where the rooms were decorated with arrangements of yellow and bronze chrysanthemums.

The bride's mother greeted her guests in a coat and dress ensemble, which combined a cyclamen coat with a sheath dress of cyclamen striped in green with which she wore green accessories and green veiling and a small orchid were in her hair.

Mrs. Leonard O. Olsen, mother of the new benedict, wore a pink A-line gown of Thai silk purchased in Bangkok for the occasion. Her accessories were a matching pink and she pinned on a corsage of white orchids.

The bride is a graduate of Hathaway Brown School in Shaker Heights, Ohio and Centenary College for Women in Hackettstown, New Jersey, and she received her B.S. degree in occupational therapy at Ohio State University. She is currently affiliated with the Visiting Nurse in San Francisco.

Kent, whose parents are Dr. and Mrs. Leonard O. Olsen of Pebble Beach, is the brother of Craig and Jan Olsen. He is a graduate of Carmel High School and the University of California at Berkeley where he was on the varsity tennis team. He will graduate in June from Hastings Law School and will enter New York University in the fall to study for his Master's degree in tax law.

When the couple left Pebble Beach for a honeymoon trip to The Ahwahnee, at Yosemite Park, the bride was wearing a cashmere suit and matching accessories.

Today's Russia Reported For Carmel Woman's Club

"Hope and fear run like parallel threads through every Russian's life," declares Nila Magidoff following her recent trip to the Soviet Union. "Behind the growing comfort of life for the average Russian lies the unspoken knowledge that a half-turn of the wheel will bring back the terrors of the

Stalin regime." The Russian-born speaker, who will appear before the Carmel Woman's Club at the regular monthly meeting on Monday, March 4th, at 2 P.M., knows from her own experience what life can be like behind the Iron Curtain. She has run the gamut — from exile in Siberia to a highly successful journalistic career in Moscow. It was there that she met and married the NBC correspondent, Robert Magidoff, and emigrated to the United States.

Mrs. Magidoff revisited Russia in 1958 and again in 1967 to compare living conditions there now with what they were as she first knew them. The story of how life in the Soviet Union has changed in contrast to her early experiences, will be covered by the speaker.

The speaker will be introduced by Mrs. J. C. Hale, Program Chairman, following the brief business meeting conducted by the President, Mrs. Robert Bannister. During the social hour Mrs. James Dixon, Mrs. Greene Erskine, Mrs. E. G. Friez and Miss Marion Eley will serve at the tea tables.

AAUW Spring Conference

American Association of University Women members of the Monterey Peninsula, under the leadership of Miss Gertrude Rendtorff, Carmel, branch president, will serve as hostesses for the spring conference of the California State Division to be held March 8 and 9 at the Mark Thomas Inn.

Dr. Anne Gary Pannell, president of AAUW, will be keynote speaker.

Also speaking will be State Senator George Miller, Jr., on "The Politics of Public Education".

Reservations for the luncheons, dinner or the round-table sessions are to be made by March 4 with Mrs. Elizabeth Hill.

Returns from Pilgrimage

Miss Anne E. Ferreira returned recently to her job at Surf 'n Sand pharmacy from an around-the-world peace pilgrimage as a member of Our Lady of Fatima's Blue Army, a group of 105 Americans. They visited 20 countries and were greeted everywhere by throngs of people "with a universal hunger for peace, even in Iron Curtain countries."

Strictly For The Dogs

By June Wood

WHEN SHIPPING BY PLANE

Often it is necessary for one reason or another, to ship a dog by air. There are a few pointers that will help make the arrival prompt and safe. Be sure and check with the airport how soon before departure the dog must be checked in and how long upon arrival he'll have to wait before being unloaded and available for pickup.

Besides addressing the crate to the recipient, write further explicit instructions, such as "Hold at Monterey Airport" and include the recipient's telephone number. Omit the address as this may add confusion if a sympathetic and helpful airport employee decides to forward or perhaps deliver the dog himself.

As soon as the dog has departed telephone the recipient giving flight number and the air bill number. These two numbers are of utmost importance as this is the only way a misplaced dog can be traced. Be sure the recipient phones you upon arrival and stay near the telephone the day of flight as it may be necessary for the airlines or you to double check some information.

It is said \$3000 is the magic figure to insure for as it is large enough to almost guarantee red carpet treatment for the dog. Happy landings!

Springtime Dangers

With the coming of spring the gardener in his garden is going to employ all sprays, dusts, liquids, etc. required to insure proper and maximum growth. Unfortunately, this practice can be very dangerous to dogs. Not only the gardener's dog, but the dog being walked on a leash. During this critical period of the year it would be the wise owner who washed his dog's feet with soap and water after the daily outings.

While the older dog is not likely to bite and chew bushes and flowers, puppies investigate everything that moves with BREATH of air. Without ever having been sprayed did you know that delphinium, foxglove, rhododendron as well as the yew and evergreen are on the poison list?

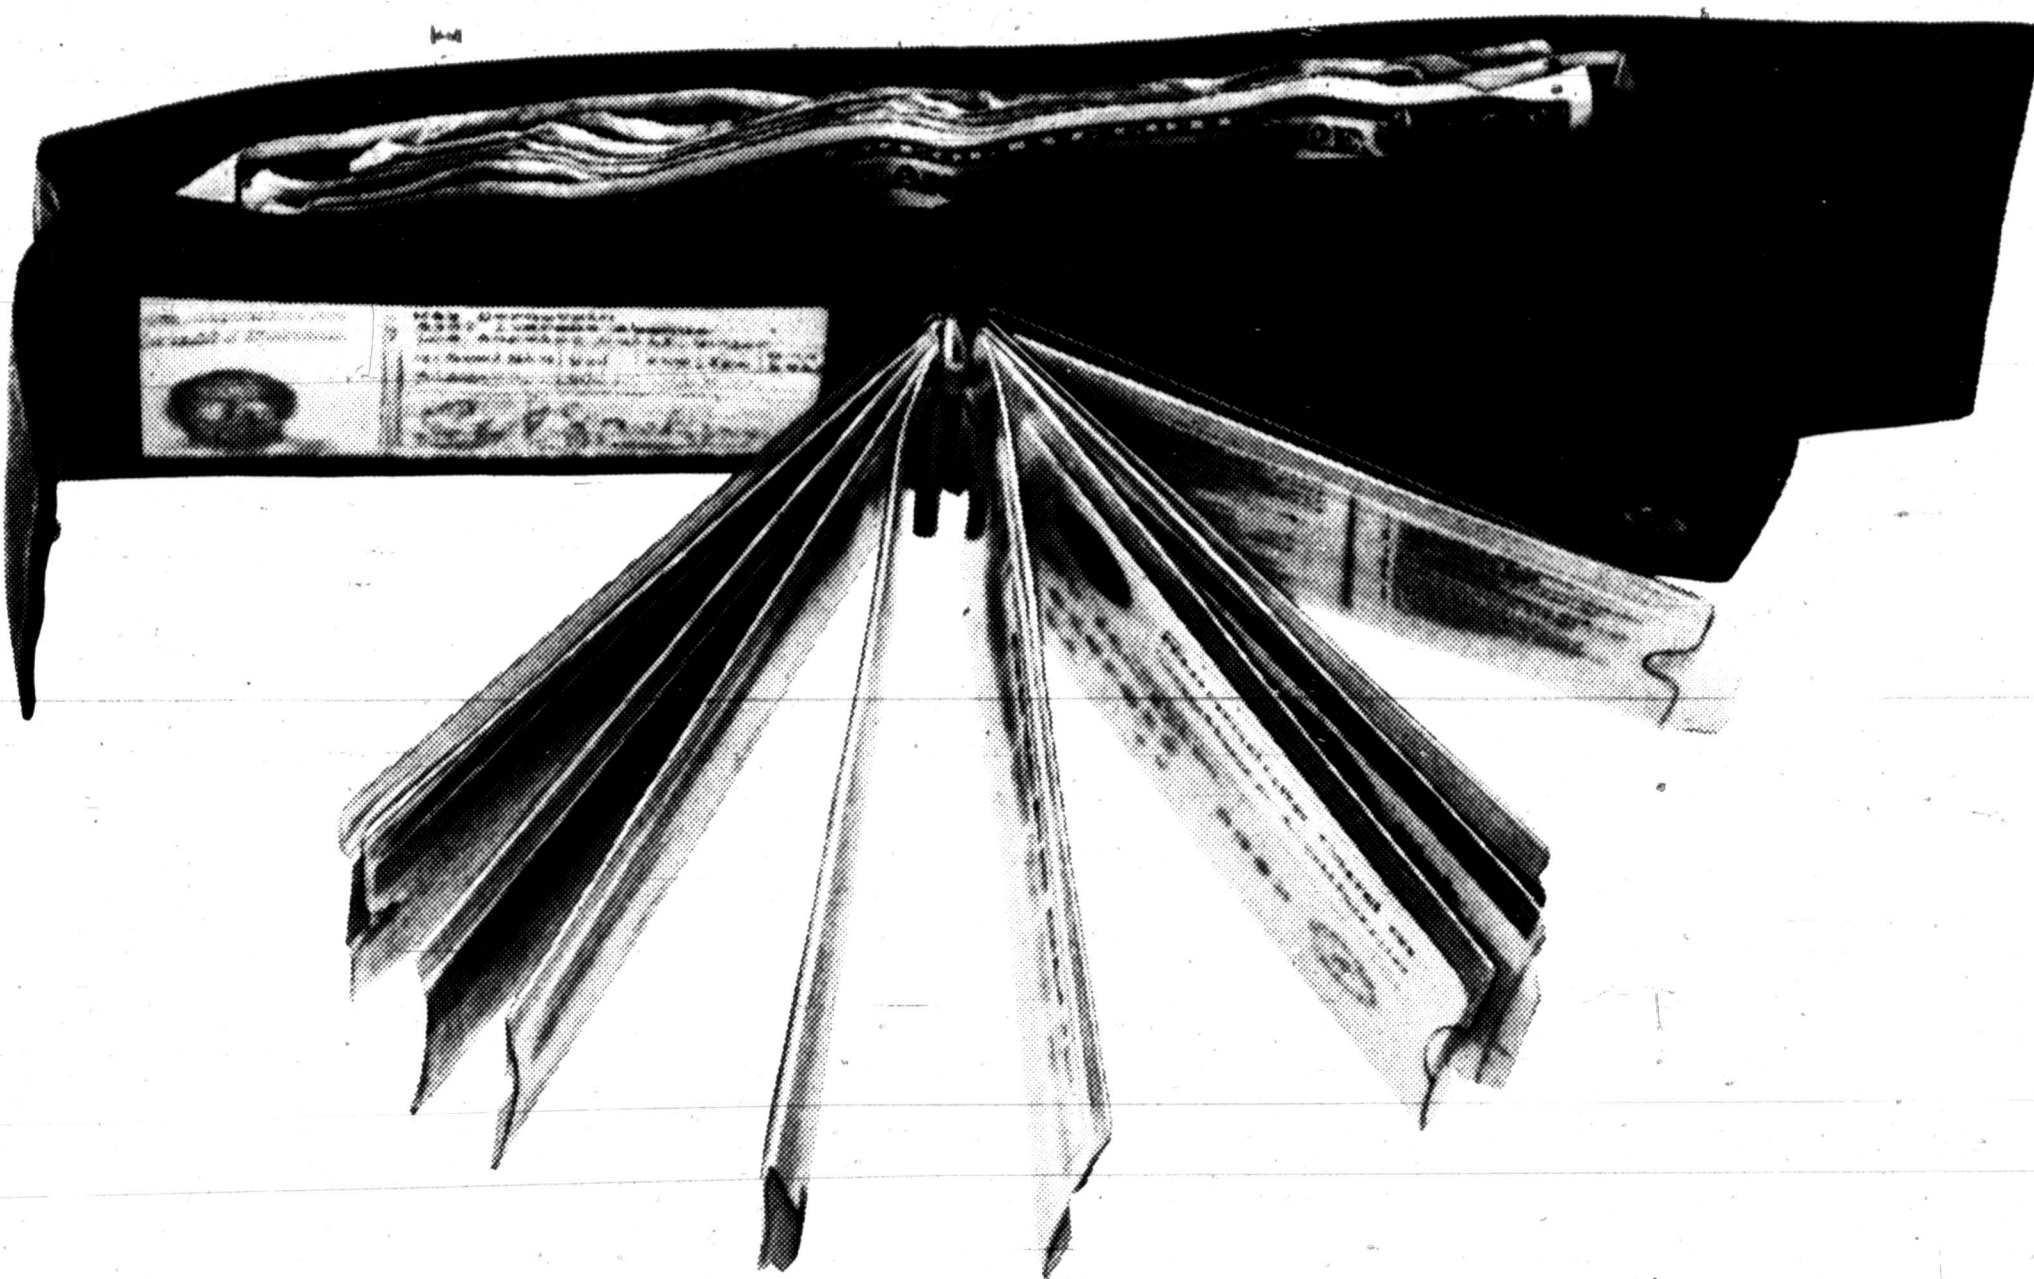

There are several garden insecticides on the market that are not dangerous to dogs or other animals.

Zantman's Celebrates Remodeling

A gala evening at Zantman Art Galleries celebrated its recent remodeling and enlargement. Since 1962, in their location on Sixth Avenue near San Carlos, the Zantmans have been gaining an ever wider reputation and have been acquiring the works of more and more important artists.

Their collection of European works centers mostly among the French contempo-

raries Guy Cambier, Michel de Gallard, Philippe Marchand and Jacques Voyet to name a few.

Among the American artists represented is Robert Clark, whose work in egg tempera has gained him the reputation as one of the West Coast's most important contemporary realists. There are the enchanting children done by Jose Montaines, Ruth Munson's shimmering impressions of still life and the out-of-doors. Carmel is represented in the distinctive palette and brush work of S. C. Yuan and in the impressive and unforgettable seascapes of Rosemary Miner.

Zantman's has not only undergone interior improvements, but they have an attractive new facade. The combination of copper upper story, used brick beneath, planters and handsome new doors invite the gallery-goer to investigate the treasures to be found within.

Donald Teague Exhibits In N.Y.

Donald Teague of Carmel will exhibit at the 143rd Annual Exhibition of the National Academy of Design opening at the Academy's galleries in New York which will continue through March 17. The exhibition will include 307 exhibits, painting in oil, sculpture, prints, drawings and watercolors by artists from all parts of the United States.

Community Night at Community Church

A "Community Night" is to be held at the Community Church of the Monterey Peninsula on Sunday, March 3 at 8:00 p.m., under the sponsorship of the Department of Religious Education, with Dr. Edward Arana as chairman.

The featured speaker will be the Reverend Blahoslav Hruby, managing editor of the bulletin "Religion in Communist Dominated Areas," a publication of the National Council of Churches. His topic will be: "Freedom of Religion Under Communism — Reality or Myth?" Mr. Hruby, an ordained minister in the United Presbyterian Church of the USA, is also a news commentator for the USIA and an interpreter for the State Department.

Auditions For Young Musicians

Two auditions for talented young musicians, one for pianists and the other for string performers, both to be held on Saturday afternoon, April 20, at Monterey Peninsula College music hall, were announced by the Monterey Peninsula Chamber Music Society.

A cash award of \$100 will be given to the winner in each category, plus an opportunity to appear in concert with the society.

The performer must not be over 25 years of age, be a resident of Monterey, Santa Cruz or San Benito counties, be proficient in performing music of concert caliber. He must memorize his selection for the audition and confine it to 15 minutes.

Applications may be obtained by telephoning Ed Hegg at Harnish Music Store, 624-4390, Mrs. Rosario Mazzeo, 624-7014, or Miss Angie Machado, 624-4166.

Income Tax Class Scheduled At MPC

A four-session, non-credit course in how to make out income tax forms will be offered February 29 through March 21 at Monterey Peninsula College.

The class, to meet Thursday evenings, 7:30 to 9:30 in Room H-108 on the MPC campus, will be open to all, free of charge. No registration will be required.

CPA Don Robinson of the Work and Robinson firm of certified public accountants,

Monterey, will familiarize the group with tax laws and recent changes made in them; emphasize tax planning, and demonstrate the basics of filling out tax forms. The completion of his own tax form will be each student's homework.

Wilderness Pictures

The feature of this month's meeting of the Conservation Committee at Brey Hall, Carmel High School tonight at 7:30 o'clock will be C. Edward Graves' superb wilderness pictures.

The beauty of these colored slides and the accompanying commentary provide an effect almost as satisfying as being in the wilderness itself. Mountain, seashore, sand dune, forest, desert—all are shown from the viewpoint of a true lover of nature.

Following 30 minutes of pictures, there will be reports and discussion of Jack's Peak, Pico Blanco, Point Lobos, Arroyo Seco, Big Horn sheep hunting in California and Mt. Toro.

Ladies' Lenten Luncheons

Now that the Carnival season has concluded with Mardi Gras in our native New Orleans, many want to settle down to a less hectic social life during Lent. But entertaining the 'gals at little bridge luncheons keeps us up with the news and our minds alert. Meals during the Lenten "self-denial" interlude before Easter and Springtime parties, often suffer from the sin of sameness. Even the strictest adherent admits that meatless meals needn't be dull. Not so long ago one had to live near stream, lake or sea to obtain fresh fish or seafood. We are fortunate to have a constant supply of the just-caught ocean or river kind right here, but, for many it is easier to use the quick frozen or canned products, often a time-saver that removes the nuisance of fresh fish preparation.

Lenten Luncheon
Lobster Quiche Lorraine
Wilted Lettuce Salad
Fresh Fruit Anise Cookies
Tea Coffee
Lobster Quiche Lorraine
One can (5 oz.) lobster meat or 1 cup diced cooked frozen lobster tails; 9-inch unbaked pie shell; 1/2 cup

Dr. Wesley Honored

Dr. Edgar B. Wesley, Hacienda Carmel, is serving as chairman of the pre-50 classes in the 1958 Alumni Fund Drive at Union College, Barbourville, Kentucky, which is affiliated with the Methodist Church.

Dr. Wesley graduated from Union College Academy and received his degree laureate degree from Baldwin-Wallace College. He has the M.A. and Ph.D. degrees from Washington University. Union College honored him with the degree of Doctor of Literature and Baldwin-Wallace conferred on him the honorary degree of Doctor of Laws.

He has taught in many of the major universities and is the author of many books and pamphlets on history and education.

grated Swiss cheese; 1/4 cup grated Parmesan and Cheddar cheese, each; 4 eggs, beaten; 1/2 cup dry white wine; 1/2 cup milk; 1 cup cream; 1/2 t. salt; dash white pepper and grated nutmeg.

Reserve some coral (red claw meat) to decorate top of finished quiche. Dice rest of lobster meat; spread over bottom of pastry lined pie pan. Add cheeses in order given. Combine eggs, wine, milk, cream and seasonings. Pour over all. Bake at 400° F. for 40 minutes. Serve warm with additional wine if desired or hot tea or coffee. Diced shrimp or crabmeat may be substituted. Serves 4 generously.

Wilted Lettuce Salad
One head Iceberg lettuce; 1/2 t. salt; 1/4 cup, each, cider vinegar and salad oil; 1 t. sugar or to taste; hard cooked egg.

Tear lettuce into bite-size pieces with fingers. Combine remaining ingredients in a saucepan and heat to boiling, reserving egg as garnish. Pour this sweet-sour dressing over lettuce while still hot. Decorate top with sieved hard cooked egg. Sprinkle top with paprika. Serves 4.

Anise Cookies
Two eggs; 1/4 t. anise flavoring; 1 cup sugar; 1 1/2 cups sifted flour; 1/4 t. baking powder.

Break eggs into measuring cup. Add water to make total of 1/2 cup liquid. Put into mixing bowl with sugar and flavoring. Beat until very thick. Fold in sifted dry ingredients gradually. Drop by teaspoons onto cookie sheet, foil-covered. Leave cookies uncovered and set aside several hours. Bake at 350° F. for about 6 minutes. The cookies will form a crispy frosting with a cake-like layer on the bottom.

Many ladies decide to give up sweets for Lent which helps them weight-wise also. Pink grapefruit is just the answer for them. You can broil the halves with a little artificial sweetener on top, adding a cherry in the center.

PWP Meeting

A speaker with impeccable credentials is scheduled to counsel members of Parents Without Partners at their general meeting tonight at 8 o'clock in the Monterey Youth Center, El Estero Park.

She is Mrs. Francis L. Beardsley of Carmel, widely known as the widowed mother of eight children who married CWO Beardsley, a career Navy man and widowed father of 10. The Beardsleys since have added two children of their own.

Monterey Peninsula Has Blood Deficit

There is a Peninsula-wide blood deficit that only more donors can make up, a spokesman for Community Hospital said recently.

Community Hospital Blood Bank collected 262 units of blood during 1967. Of these, 158 were used for patients in the hospital and the rest were shipped to other blood banks as credits donated for patients in other cities.

Community Hospital used an additional 1,065 units of blood from the Red Cross Blood Center in San Jose, while Monterey Hospital used 695 units during 1967.

Although 2,000 units of blood were used on the Peninsula, the Red Cross during last year collected only 700

units on the Peninsula, leaving a large deficit to be made up by people from other areas.

The Red Cross bloodmobile will be here March 1st and the Community Hospital Blood Bank is open every day.

"If only six people a day would come to the Community Hospital Blood Bank to give their blood, we would have more than enough blood for everyone," a spokesman said.

Blood donors are invited to come to the hospital between 11 a.m. and noon and between 4 p.m. and 6 p.m. on weekdays. Donors also can be taken on Saturday and Sunday by appointment.

IF YOU HAVE THE FEELING THAT YOUR LEISURE TIME IS ELUDING YOU, TAKE A MOMENT TO CONSIDER —
 DEL MONTE PROPERTIES

COUNTRY CLUB GATE

a concept of carefree living

- Located at Country Club entrance to Del Monte Forest
- Furnished Models open 10 - 5, 7 days a week, 2 and 3 bedroom models available
- Estimated monthly maintenance cost, including land rental, \$68.54
- Excellent financing available
- Priced from \$33,900 to \$37,900

This development of individually sited, handsome Garden Homes, brings the concept of relatively maintenance-free leisure living to buyers on a heavily wooded nine acre site. Pebble Beach Golf Links, Spyglass Hill Golf Course, Cypress Country Club, the Seventeen Mile Drive, world famous Del Monte Lodge, and the beautiful Beach Club are within five miles of the site. Oarmel, historic Monterey, Pacific Grove, Carmel Valley, the jet served Monterey County Airport, and the awe inspiring Big Sur country are all within minutes.

This program will appeal to both the "weekenders" or second home buyers and also to the year-round residents who no longer are interested in yard work and exterior maintenance, but who prefer to spend their leisure time enjoying

the many pleasures of the Monterey Peninsula.

The homes have been designed to provide large entertaining areas, attractive modern kitchens, luxurious dressing and bath areas, large bedrooms, ample closets, attached two-car garage, fireplaces, and many other fine features.

Country Club Gate will be surrounded by a scenic forest greenbelt in perpetuity and will be a charming, sealed, park like area. The ground is being leased from Del Monte Properties on a long term basis (98 years), and the monthly ground rental per unit will be nominal. All exterior maintenance and garden up-keep will be contracted for and each home owner will pay his share of the cost to the condominium association.

REPORTS FROM RLS

By Chandler Meloy

Basketball Team Wins In CAA Tourney

After failing all season to defeat Junipero High School, the "Pirates" really came through with the big win this past weekend as they took the Consolation Trophy in the CAA basketball "classic" at Santa Cruz. It was the 16th annual meeting of the local Monterey Region schools.

Led by Eric Paulsen (21) and John Cann (15) the RLS boys started to hit the basket, and led by six points at the half.

A third quarter spurt by Junipero was quickly offset by a 20-point outburst by RLS in the fourth quarter, as Eric Haas and Mike Greene teamed the fast-break to put Stevenson far ahead. George Winters did his usual good job of clearing the boards, and Jeff Erlandson played a beautiful outside game. The win at 76 to 58 gave RLS the trophy, a sweet victory, and a fine end to Coach Zury's 1968 season. The team and coach

deserve full congratulations for their splendid efforts.

Stanford Tournament Tough

With Lonnie Foy and Robert Howard just missing the quarter finals in debate by one point, and with Foy just being nosed out of finals in Impromptu by a point, the RLS Forensic team faced their toughest competition this year as teams from all over the United States gathered at Stanford University this past weekend for the famed Invitational Speech Tournament.

Stevenson came away with the best over-all record of any PFL team and also was able to send four teams to the Soquel Tournament where they took third in sweepstakes, and each of those teams had a 2-1 record (Co-Captains Steve Simmons and Ed Scott, John Witkin and Frank Moffett, Rick Johnson and Gary Novak, plus Arlen Chase and Jim Short).

Next for the locals is the League Finals (plus' two minor tournaments in between. Also, in special competition this week are Jack Booth, Joel Harris, Phil Fleming, Ed Scott and Mark Belza, all in the Lions Club contest at the local level. The first two at the Carmel Club, with the last three entered in the Carmel Valley Contest.

Leadership Conference This Weekend

Some 100 delegates from 21 Independent Schools will attend the second annual state-wide leadership conference to be held at RLS this weekend. Chairman Bruce Decker, with RLS Stu-

Ash Wednesday at Community Church

Special Ash Wednesday services were held at the Community Church of the Monterey Peninsula yesterday, in lieu of the usual union services of Carmel churches. The Reverend Burkert Cree led the prayers and meditations and the choir, directed by John Farr, sang from "The Seven Last Words of Christ;" "Christ We Do All Adore Thee" and "Kyrie Elison," with Warren Coker at the organ.

"Longest in the Business"

Homer Gruver, Peninsula resident since 1955, has recently joined Charles M. Holsington, realtor, with offices in Carmel Valley Village.

Until a few years ago he was escrow officer with the now Title Insurance and Trust Co. Since 1962 he has done real estate promotion and lived in Carmel Valley where he lives on Poppy Rd. with his wife Nellie.

Mr. Gruver is over 6'6", hence the slogan of the title.

dent Body President (and CAIS President) Claude Wynn presiding, reports that schools attending will include: Anna Head, Castilleja, Santa Catalina, Crystal Springs, Burkes, San Rafael Military, Hamlins, Woodside Priory, York School, Argyle Episcopal Academy, Black-Foxe Academy, Desert Sun, Harvard, Marlborough, Midland, Polytechnic, Southwestern Military, Westlake and Thacher.

The program will include speakers, seminars, a social on Saturday night, plus review sessions on leadership problems. The three-day event was founded by RLS last year under the guidance of Larry Kuehler and the support of Headmaster Robert Rickles who is president of the "Parent" California Association of Independent Schools.

Cartoonist At Community Church

The recently organized Young Couples Group of the Community Church of the Monterey Peninsula, under the chairmanship of George Sackman, will have an outstanding speaker for its next meeting Friday at 7:30 p.m.

The Pulitzer Prize cartoonist, Vaughn Shoemaker, a Carmel resident, will speak on his religious faith and young couples in the community are invited to attend.

Mr. Shoemaker was born in Chicago and graduated from Wheaton College and the Academy of Fine Arts, then joined the staff of the Chicago Daily News as chief cartoonist and editorial cartoonist for the New York Herald-Tribune.

Among many of Mr. Shoemaker's awards have been two Pulitzer Prizes; one in 1938 and another in 1947. He also received the Freedom Foundation's Valley Forge Award in 1949 and again in 1959, and the National Safety Council's award for 1946, 1949, 1952, 1953 and 1958, and the Lincoln National Life Foundation Award in 1959.

He is a member of the Christian Business Men and the Gideon Society. A gifted watercolorist, he has had several one-man shows in Chicago and several of his cartoons are in the permanent collection of the Huntington Library.

CHRISTIAN SCIENCE SUNDAY SERMON

"Christ-Jesus" is the subject of the Lesson Sermon to be read in all Christian Science churches this Sunday.

The Golden Text for this Bible lesson is from Micah: "Thou, Bethlehem Ephratah, though thou be little among the thousands of Judah, yet out of thee shall he come forth unto me that is to be ruler in Israel; whose goings forth have been from of old, from everlasting."

OBITUARIES

George Marion Jr., brother of Mrs. Ruth Marion McElroy of Carmel, and son of the late George F. Marion, actor-writer who used to live in Carmel, died recently in New York City. Frequent visitor to Carmel, he wrote librettos for several Broadway musicals and Hollywood films.

Their father, George F. Marion, wrote the pageant produced in Carmel in 1934 on the 150th anniversary of the death of Padre Junipero Serra.

Gilbert M. Tucker, 88, retired author of books on education, died Monday evening. He and his wife Mildred made their home at 7th and Monte Verde since December. Funeral services will be in Albany, New York, his birthplace, Paul Mortuary in charge.

Katherine B. Allen, 70, well known ceramist, died last week at her home at Monte Verde and 13th streets. Born in New York, for many years she operated pottery and studio shops in Monterey. Paul Mortuary was in charge of arrangements.

LARGE HOME NEAR TOWN—\$43,000
And you couldn't replace it for \$60,000 today. Not a run-down dog, but a home in excellent condition on a 60'x100' corner lot. Large lanai, small family room, 27½ baths. Bedrooms? Well, anything from 3 (including a 3-room suite) up to 5, depending on how you use them. A delightful home. Exclusive. Shown any time.

LOT NEAR TOWN—SOME OCEAN VIEW
Here's a 40'x100' lot, 3½ blocks to the Post Office. It has some water view, is almost level and it is priced at ONLY \$13,900.

4 BEDROOMS, GUEST APARTMENT, NEAR TOWN, VIEW
And only \$53,500. We shouldn't have to say more than that, but there is a dining room, a GOOD ocean view, central heat, well-equipped kitchen, 5½ baths, 60'x100' corner lot, 4 blocks to the heart of town and 4 blocks to the beach.

2 BEDROOMS, SWIMMING POOL, \$39,500
And over 2,100 square feet of living area. This large home in Hatton Fields Mesa has 2 baths, a family room, separate dining room, a large lot, big filtered pool, and SMALL price of only \$39,500.

CARMEL HIGHLANDS OCEAN FRONT HOME
On a spectacular promontory. This is an almost new, contemporary, very tastefully designed and appointed home. 2 bedrooms, 2 baths, plus a completely separate studio or guest room and bath. Views are north, south, west and east, and are beyond written description. Very expensive. Shown any time.

WEBER REAL ESTATE EXCHANGE

"SURE, EXCHANGING
IS EASY"

INSTALLMENT SALES—Can concern you. If you are selling real (investment) property, to reduce the amount of tax paid at any one time, you may accept payments over a period of time and pay the tax on your gain as you receive payment.

It is important that you understand the rules which apply to installment sales. Accepting over 30% of the sales price in the year of the sale requires you to pay ALL of the tax charged to that sale.

Just a few dollars can make a big difference. Be especially careful early in your tax year, for when you accept 30% down on a sale, you cannot receive any principal payments during the remainder of the year without becoming liable for the entire tax amount.

But why pay the tax? EXCHANGING can be entirely "tax free." Use the amount normally paid in taxes to help pyramid your investment and estate. We help you make it grow.

When you need investment help, whether selling, buying or exchanging, call us, we can serve you better. Know you are receiving maximum benefits from your investment dollar.

Carmel Valley Crime Wave

Upper Carmel Valley citizens, indignant over the rising level of vandalism in homes and other properties there, caused the Chamber of Commerce to vote in its last meeting to circulate petitions for signatures to submit to the County Board of Supervisors expressing their concern and requesting additional protection from the Sheriff's Department.

These petitions were accumulated Monday with 485 signatures and will be reviewed by the Chamber of Commerce at its next meeting.

Carmel Cabaret At High School

A pop concert and variety show will be presented by the Carmel High School Music Department March 9 at 8 p.m. at Carmel High gym.

The gymnasium will have a cabaret decor with candlelight, tables and chairs. There promises to be several musical acts, including a rock and roll band, a chorus, and the highlight of the evening will be a fathers' band.

This is a joint venture of musical students and the Padre parents. Proceeds will go toward much-needed musical instruments and equipment for the band. There will be door prizes. Tickets are available from students and Padre parents. For more information phone Mrs. Harry Bullard, 624-4428.

Valley Inn Hosts Conference

Carmel Valley Inn was host to the conference of the Constitutional Rights Foundation of the State Department of Education last week.

Seventy-two participants attended the conference jointly sponsored by the Constitutional Rights Foundation and the State Department of Education to prepare consultants who can be called upon by their school districts and those in adjoining areas to assist teachers in the improvement of the instruction of the Bill of Rights.

sight unseen, unaware that it is haunted by ghosts from an unhappy event that occurred over a century before.

THE GRADUATE, interesting, if not completely compelling, comedy. Dustin Hoffman is excellent in the title role. Anne Bancroft is extremely good as the woman who seduces him and Katharine Ross is attractive as her daughter with whom Hoffman falls in love. The picture argues that all over 30 are dishonest, corrupt and unthinking.

OBITUARIES

Miss Helene Lehmann, Carmel resident since 1941, died Tuesday. She is survived by her brother, Arthur Lehmann of Carmel, Native of Frankfurt, Germany, she had lived on Monte Verde at 14th Avenue. Services by Paul Mortuary are pending.

Mrs. Rose Victoria Johnson, 88, mother of Mrs. Cecil (Helen) Le Feuvre of Carmel, died Monday evening. She had been a member of the Salt Lake City Tabernacle Choir and a concert singer in Los Angeles. She had also been an artist. She is survived also by a son and another daughter, four grandchildren and four great grandchildren. Mormon services will be held Friday at 1 p.m. at Paul Funeral Chapel.

ing on March 7 for submission to the Supervisors.

It was contended by the people of Carmel Valley that the room and sales taxes contributed by this area to the General Fund of the County, which supports the Sheriff's office, justified additional personnel for protection from vandalism and other crimes.

Tom Bottaro, president of the Chamber of Commerce, said, "It is intended as a show of concern over the increasing vandalism, incorporated with a request for additional police protection, to suppress it and to bring to justice those responsible. It is not intended as a criticism of the Sheriff's office nor the high quality of the present Deputies policing the area."

For example, in the last two weeks the Deputies have broken a ring of about 10 youngsters between the ages of 9-12 years who were responsible for some of the vandalism and petty thievery. They are now on probation.

The teenagers, and older have been responsible for breaking and entering, destruction of property, and grand larceny to a degree. This has aroused the citizens to act. The comments are that if this action is not approved or does not show results, other moves may result.

Reading Vistas

Parents and educators interested in looking over the reading textbooks up for state adoption, will have that opportunity at Middle School Saturday, March 2, from 8 to 1 p.m.

Guest speaker will be Dr. Jo Stanchfield, director of the Reading Clinic and Professor of Education, Occidental College, Los Angeles. Dr. Stanchfield has been given government grants to study "Why is the boy the remedial student?"

The reading convention will be co-hosted by the International Reading Association, the Streamlined Reading Class and the Teaching Seminar Class of Middle School.

Lois Renk Looks At Oregon Land

Tuesday, Lois Renk returned from a survey of some ocean-front property in Oregon. She is tremendously enthusiastic about this 110 acres listed for sale with her firm. It fits in with their policy of handling real estate by the sea.

The property is near Gold Beach at the mouth of the Rogue River, 60 miles north of the California border.

She was accompanied on the trip by Hank Adams, Eldon Quill, Mike Elliott and Duke Everts. Their transportation was a Del Monte Aviation Cherokee piloted by Tom Turner.

SCHOOL BOARD WRESTLES WITH PLANNING PROBLEMS

of the extensive summer school program at the elementary level getting started this summer, he favored continuing to use Pacific Grove.

The opportunity to provide experimental and enrichment programs was advanced by President Neill and by Howard McFann, of the NPGS. Dr. Newton felt that it was the duty of the School Board to provide summer school even though courses might be available elsewhere. "We might as well close down and bus the children to Pacific Grove all year long if we operate on the basis that it would be cheaper to do so," he said.

The Superintendent was instructed to prepare a summer school program with the possibility left open that some courses might be taken at Pacific Grove.

er, Mr. Gene Vandervort, cabinet contractor, Mrs. Rosetta Smith, business education teacher at M.P.C., Mr. Bernard Laiblo, electrical contractor, and Mr. Peter de Haas, supervisor Food Services at Carmel Valley Manor were appointed to a Citizens Advisory Committee for the work, experience program under the Vocational-Technical Education program, for the remainder of the school year. This is a legal requirement for the partially funded program.

Sabbatical Leaves

Sabbatical leaves for half a year with full pay were granted Romaine Hill, English teacher, and Richard Lawitzke, Driver Education teacher (to get Master's degree) both at the high school.

Nursery School

Mrs. Rosa Doner, teacher in charge of the Parent Nursery School operating under the Adult Education program, requested permission to enroll five students from the Seaside area for the remainder of this school year. Efforts had been made to provide scholarships for students in our district, but there were no takers, she said. Permission was granted, but it was suggested that the Welfare department be contacted for possible students.

Parents are required to take turns assisting the director and to attend a class on Monday evenings.

This was one way to beat the heat last weekend when the temperature shot up past the 85 degree mark, but most of us modestly donned our bathing suits and enjoyed the pleasant, warm welcome sun on the beaches of Carmel.

port was accepted in accordance with its stipulations that landscaping would be no less than three feet minimum depth; the height of the fence be six feet, and that the lot be resurfaced within one year from the date of the report.

Area Planning Maps

Planning Director John Riling recommended that the City offer the Area Planning Commission a place to house and display their maps, which, incidentally, are quite beautiful. He suggested that in his new office at Sunset Center there is ample gallery space to display these maps. Riling pointed out that this might help stimulate circulation downstairs at Sunset. The Commission agreed to ask the Cultural Commission for some consideration to this request.

Hardy Swimmers

Rod Dewar, Ted Durein, David Gill, Robert G. Frost, Phil Thorngate and Lew McCreery were among 20 local swimmers taking part in the annual Washington's Birthday swim of the Monterey Peninsula Country Club at Stillwater Cove last week.

Dr. Raymond E. Brownell and Superior Judge Gordon Campbell were two veterans of more than 25 years' participation. Charles B. Kramer, MPCC president and Bill Coleman, manager of Del Monte Properties hotel division, arranged for breakfast and other hospitality for the swimmers and member watchers.

MPC Given 5-Year Rating

A full five-year accreditation was given Monterey Peninsula College by the Western Association of Schools and Colleges, the board of trustees was told last week.

A seven-man accreditation team said that the college enjoys "a fine reputation locally and statewide; staff morale is extremely high, and that the 'feel' of the college is one of progress and dedication."

The report commended the community support of the \$4,712,000 bond issue "which has led to excellent new facilities, functionally as well as architecturally outstanding."

It commended curriculum responsiveness to community and student needs, interest in innovations, and involvement of faculty in curriculum development.

Vocational-Technical Education

The high quality, though limited program was commended, as well as regional planning to avoid duplication of facilities, cooperation with high school vocational programs, use of clinical facilities at Fort Ord in dental assisting program, one-unit courses to make students almost instantly employable.

Additional courses, as in public service and health, coordinated work experience with industry, business and government were suggested.

Books and Paintings

Professor Martin Katz son of Anna Katz of Carmel, has received a Canada Council Fellowship and Research Grant for the academic year 1968-69 to conduct research in Europe on the 19th century Russian historian, T. N. Granovski.

The results of this study will be published as his second historical monograph. Professor Katz is presently teaching Russian History at the University of Alberta, Edmonton, Canada. His first book is on the shelves of the Carmel Library.

Professor & Mrs. Katz were married at the Highlands Inn here last summer.

His mother is a real Carmel old-timer, having lived here for 42 years. For many years she operated a dress shop at the corner of Ocean and Monte Verde. Since her retirement, she has been painting "fantasies," memories of her native Russia, which she left at the age of 14.

During the month of March a one-man show of her fantasies will be shown at the Carmel Foundation Town House.

sellors and efforts toward occupational counselling were commended. Need for increased staff, with group counselling, faculty consultation and aides was suggested.

Financial Support

District was commended for willingness to pay what is necessary to retain excellent personnel. It was recommended that campus acreage be expanded to assure adequate building and parking space for ultimate 5,000-student enrollment.

and design of the exterior of Sunset, to especially provide a non-institutional appearance.

In another memorandum to the Commission, Falge recommended that the north lot be improved and beautified for recreational purposes and for performance parking when needed. He suggested either a playground for baseball, or a park with shuffleboard and tennis courts, with grass suited for parking as well as playing.

Commissioner Robert Evans Sr. suggested that more study be made in regard to the north playground.

The quip of the evening came from Dr. James Gilman: "If the ordinance does not pass then what's to keep some of our tenants from setting up housekeeping at Sunset?"

Market Forecast

Dow Theory Business and Stock Market Forecasts letter dated February 23 mentions "... Clients should be especially careful about 'bargain hunting.' Many stocks may appear low compared to what they were 30 days ago but they could be still lower 30 days from now. —How long the decline will last is as hard to predict as is the depth of the decline but some time ago we estimated the decline could bottom out in late spring or early summer."

Another interesting quote from their letter is "... There is a preponderance of clear-cut evidence suggesting that land will continue to be an ideal inflation hedge and companies with large real estate holdings will benefit substantially from this trend in the future. ..."
